If your booking is for a game that is likely to last more than 2 hours you will need to book a 2nd slot (Except for 6pm bookings which are for 4 hours)

## **Bowlr Rink Booking - Booking Club and External Competitions**

Competitions requiring more than 2 hours are double session matches so for each match 2 sessions need to be reserved in the online diary unless it is for the 18:00 slot.

It may not be always possible to book 2 consecutive sessions on the same rink on the same day but the you can reserve 2 consecutive sessions on different rinks. The club will see this and move sessions on that date to accommodate the need for these games to be on the same rink for 2 sessions, the member will get an automated email when this happens.

The member will receive the following type of Booking automated emails:

- Booking confirmation email
- Reservation confirmation email
- Reservation cancellation email
- Booking change

An email will be generated for the following scenarios:

- Club Moves or deletes a booked or confirmed session
