### Monday Club, Roll Ups and Fun Days

Any approved bowls wear, as above, or 'smart casual'.  
Shorts may be worn as long as they are tailored and only one plain colour.

- 
- All members are required to comply with the dress code.
  - Members are asked to exercise common sense with their interpretation of 'smart casual'. The minimum standard regarding 'smart' is clean, tidy, muted not loud colours. No ripped jeans.
  - When on the Green, dress must be presentable and not scruffy.
  - The standard of dress code is very important to the Club. We want to be flexible, but we do not want the reputation of the Club to be damaged by members dressing inappropriately 'down' while on the green.
  - Flat shoes should always be worn when on the green.
